

## Schlüssel

Lu sucht mal wieder ihren Super-Huper-Duper Universalschlüssel. Aber dieses Mal nicht, um die Schatulle zu öffnen, sondern weil sie die Musik entschlüsseln will. Aber schau! In Totos Strumpf findet sie sogar zwei Schlüssel.

Wie würdest du den Klang der unterschiedlichen Instrumente beschreiben?

**Auflösung:**  
Violinschlüssel: Blockflöte, Oboe, Geige, Trompete, Saxofon, Horn
